**Massachusetts State Legislators for MLCRA Communities**  
**The 193<sup>rd</sup> General Court (2023-2024)**

The Massachusetts legislature has been known as The General Court since the days of the Massachusetts Bay Colony. A legislative session lasts for two years. The legislature has two houses: the Senate, which has 40 members, and the House of Representatives, which has 160 members.

Below is a list of the state senators and state representatives for each MLCRA community. Use this list to identify and contact your legislators if you want to voice your opinion on pending bills or other issues of concern, or to request constituent services such as help interacting with a state agency.
